REGAL MARINE ANNOUNCES CHRIS SPINDLER AS NEW SALES & MARKETING ASSISTANT

Orlando, FL – January 2006 – Regal Marine has hired Chris Spindler to be the sales & marketing assistant working on a wide range of sales and marketing support efforts. Chris graduated from University of Florida with a BA degree in criminology. He also interned with Regal during the summer of 2005 and was recently offered a position within the company after being such a good fit for the organization.

Spindler will be assisting the marketing department with a number of activities including photo shoots, magazine tests, and industry analysis. Spindler will also work with dealers to train them on new marketing programs as they roll out.

In addition to this, Spindler will be assisting the dealers during their upcoming boat shows, sales promotions and many of the other activities that Regal's Sales & Marketing Team has planned. One of these is the Fuel the Dream Promotion that offers customers up to \$5,000 to go towards fuel for their new 2006 Regal boats.

“We are very excited to have Chris as part of our Regal family. He is going to be a great asset to our sales and marketing efforts”, says Mel Moses, Marketing Manager.

Regal Marine Industries is a world leader in the design and manufacturing of luxury performance boats from 19 feet to 44 feet and has earned the coveted ISO-9001:2000 designation from the International Organization of Standards (ISO) who provide a globally accepted model for quality manufacturing. Celebrating 36 years in the business, Regal Marine is a thriving family owned and privately held company specializing in just one area: *building among the highest quality pleasure boats on the market that lead the way in luxury and performance.*
