

1900

GO  
YOUR  
OWN WAY

The thrill begins the moment the driver hits the throttle.

## REGAL ADVANTAGES

### FASTRAC HULL DESIGN

The FasTrac Hull gives you more control on the water, with 26% faster speeds, and at the fuel pump, with 30% better fuel efficiency.

### EXTENDED SWIM PLATFORM

Extended swim platforms offer improved safety and are lower to the water, enhancing water sports.

### TRANSOM WALK-THRU

The transom walk-thru makes boarding easier and keeps your upholstery looking like it did in the showroom.

### FUSION 600 MARINE STEREO

The Fusion head unit has full integration for your iPod/iPhone, which can be enclosed in a waterproof dock, and has AM/FM radio and Sirius capability.

### Wide Beam

The 1900 features the widest beam in its class. A wider beam means more space while you are out on the water.

### FIBERGLASS HATCHES

Regal does not cut corners where many others do. All hatches are color-matched fiberglass.

## 1900 SPECS

**The Phrase “Entry-Level” has Become Synonymous With Small Bowriders. Not With This 1900.**

*When you come across a 19-footer with an 8-foot-3 beam, 46 cubic feet of storage and space for eight adults, it's not fair to call it entry elve. You better call it a Regal.*

## A GLOBAL FAMILY

Duane Kuck, President & CEO  
Tim Kuck, Executive Vice President & COO

For over 40 years Regal has been building more than boats, we have been building relationships. As a family owned and operated company with three hands-on generations sharing one vision and one mission, Regal has achieved the highest customer satisfaction ratings in the industry time and time again.

The entire Regal team, many being twenty to thirty year veterans, is focused on designing, engineering and manufacturing yachts that produce best-in-class recognition from owners and the most influential in the worldwide yachting community.

Whether you're a Regal owner, considering Regal, new to boating or simply have a passion for the water, we invite you to tour Regal's manufacturing facility and the industry's first premier factory showroom. Located in Orlando and minutes from the International airport, you'll find every Regal Yacht on display and factory staff to answer your questions. For additional information on tour times and showroom hours, please visit [www.regalboats.com/showroom](http://www.regalboats.com/showroom). With over 30,000 Regals on the water in over 50 countries, you'll soon discover why your next yacht should be a Regal Sport Coupe. Experience the Regal life.
