EXPRESS CRUISER AND SPORT YACHT COLLECTION

 REGAL

OUR PROMISE

Dear Regal Family (and future family),

We love building boats. They are the heart and soul of a dream that began 49 years ago, and we are very proud of the Regal legacy. We are not just boat builders. We are passionate boaters who strive to pursue the ultimate boating experience.

For those who enjoy the entertainment of a 1900 ES on the lake or want to cruise some of the world's most beautiful waters on a 42 Grande Coupe, know that we are thinking of you with every boat we build. Our mission is to create an experience that goes far beyond what you can imagine; the kind of experience that embraces a lifetime of cherished memories with your family and friends.

We have always been a family-oriented business and always will be. We care deeply about our team, our dealers, and our Regal owners. For those of you who are already part of our family, we thank you for placing your trust and confidence in us. And for those yet to discover the Regal lifestyle, we invite you to join us on this journey filled with wonder, excitement and fun, where your final destination awaits.

Join us... you'll be glad you did.
